

Important Information - PLEASE READ: UConn Campus & Road Construction Update

During your 2018 Ray Reid Soccer School arrival and departure, there will be a significant amount of construction on and around the UConn Storrs campus as renovations are made to the campus and surrounding roadways (these started in May). **For this reason we ask that you allow extra time for your arrival** as you may be delayed by detours and/or road closures. We apologize for any inconvenience.

For check-in/registration, we highly suggest you park in the **SOUTH PARKING GARAGE** (see enclosed map for on-campus location and road closures). The address for the South Parking Garage is:

**University of Connecticut South Parking Garage
2252 Jim Calhoun Way

Please note that portions of Hillside Road will not be accessible via car; however, all pedestrian pathways in center campus will be open.
